

# 360 PRE-EMPLOYMENT SCREENING

360 Pre-employment Screening is a paperless, web-based background screening service, which enables clients to electronically request background information on applicants safely and securely. Once the signed consent form is received and reviewed, 360's search team promptly acts as a conduit to procure a wide variety of background searches from local, state, and national sources to meet your specific industry needs.

## WHAT DISTINGUISHES 360 FROM OTHER SCREENER SERVICES?

No price gouging or hidden fees and no sign-up fees or monthly/yearly minimums.

8 hour or less turnaround time for most search services.

Competitive package pricing available.

Our knowledgeable search team is ready to assist you Monday through Friday.
